The screenshot shows a Windows Internet Explorer browser window displaying the Indianapolis eGov Contracts page. The address bar shows the URL: `http://staging.indy.gov/eGov/City/OCC/contracts/Pages/Contracts.aspx`. The page features a blue header with the Indianapolis logo and navigation links: About Indy, Find a Person, Find an Agency, Mayor's Action Center, Government TV, and Online Services. Below the header is a search bar and a list of services: CITY & COUNTY ADMINISTRATION, COURTS & LAWS, CULTURE & RECREATION, EDUCATION & JOBS, NEIGHBORHOOD SERVICES, PUBLIC SAFETY, TAXES & BUDGETS, and VOTING & PUBLIC RECORDS. The breadcrumb trail reads: `IndyGov > Local Government > City > Corporation Counsel > City & County Contracts > Contracts`. The main content area displays the IBM FileNet Workplace logo. Below the logo is a "Sign In" form with fields for Name and Password. At the bottom of the form are links for Sign In, Reset, Guest Sign In (highlighted with a red box), and Help. The status bar at the bottom shows a JavaScript error: `javascript:document.forms.loginForm.action="http://facpv02.indyad.local:9081/Workplace/WcmSignIn.jsp?eventTarget=signInModule&e"`.

Click the Guest Sign In link to login. You will be brought to the Public Search Template.

Public Search Template

The screenshot shows a Windows Internet Explorer browser window displaying a public search template for contracts. The address bar shows the URL: <http://staging.indy.gov/eGov/City/OCC/contracts/Pages/Contracts.aspx>. The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. The status bar at the bottom shows "Done" and "Internet".

The web page has a dark blue header with the text "Contracts - Windows Internet Explorer" and a user name "Beeler, Scott". Below the header, the page content is titled "Search View" and includes a "Help | Sign Out" link. The selected search template is "FNOSPurchasing > Purchasing Public Search". There is a "Hide Search Criteria" link and a "Printable View" icon.

The search criteria section is titled "Find released documents, where:" and contains several fields with operators:

- Contract Number *is equal to* [text box]
- Vendor Name *contains* [text box]
- Department / Agency *contains* [text box]
- Contract Amount *is equal to* [text box]
- Contract Type *contains* [text box]
- ITB Number *is equal to* [text box]
- Start Date *is equal to* [calendar icon] [text box] [Clear \(MM/d/yy\)](#)
- Current Expiration Date *is equal to* [calendar icon] [text box] [Clear \(MM/d/yy\)](#)

A vertical "AND" button is positioned between the Vendor Name and Contract Type fields. Below the search criteria, there is a "Max Results: 500" field. At the bottom right, there are "Search" and "Restore Defaults" buttons. The footer of the page reads "© Copyright IBM Corp. 2002, 2009. All Rights Reserved."

Enter in your search criteria for the document(s) you want to retrieve and click the Search button. You can search on a single or a combination of fields, and note some fields either have *is equal to* or *contains* next to the field name. If the field *is equal to* this means only documents which meet the exact value entered in the text box will be retrieved. If the field *contains* this means only documents which contain all or part of the value entered in the text box will be retrieved. The *contains* is a drop down menu box, which you can alternatively select *starts with* or *ends with*. These two options will retrieve documents which either start with or end with the value entered in the text box. If more than one field is used for a search then only documents in which all the values entered in the fields will be retrieved. If, for example, you entered "9999" in the Contract Number field and "Star Plumbing" in the Vendor Name field only documents which contain both these values will be retrieved. If a document had a Contract Number of "9999" but a Vendor Name other than "Star Plumbing" then that document will not be retrieved. Finally click the Restore Defaults button to clear out all search values from the fields and start a new search.

In the example below I entered in "311" as the Contract Number and pressed the Search button.

Document Viewer Window

In the document viewer window there are different controls for how the document is presented in the window. These include Zoom to 100%, Fit to window width, Fit to window height, and Fit to window. You can also click and enable the magnifier to magnify over specific parts of the document (click the magnifier icon again to unable it). Finally you can use the Zoom to control to zoom to a specific area of the document, and the zoom in and zoom out controls to zoom in and out of the document. Finally you can also print the document by clicking the Print button. Hover your mouse pointer over each of the icons to display their labels.

To navigate among the pages of the document click the left and right arrow buttons located at the bottom of the document. You can also easily navigate to the first or last page of the document by clicking the respective left or right arrow end buttons. Hover your mouse pointer over each of the icons to display their labels.

**AGREEMENT TO DISTRIBUTE
HOME INVESTMENT PARTNERSHIPS PROGRAM
CFDA# 14.239**

THIS AGREEMENT TO DISTRIBUTE HOME INVESTMENT PARTNERSHIPS PROGRAM FUNDS (the "Agreement") is entered into by and Affordable Housing Services, an Indiana not-for-profit corporation (the "Project Sponsor"), and the Consolidated City of Indianapolis acting by and through its Department of Metropolitan Development (the "DMD").

RECITALS

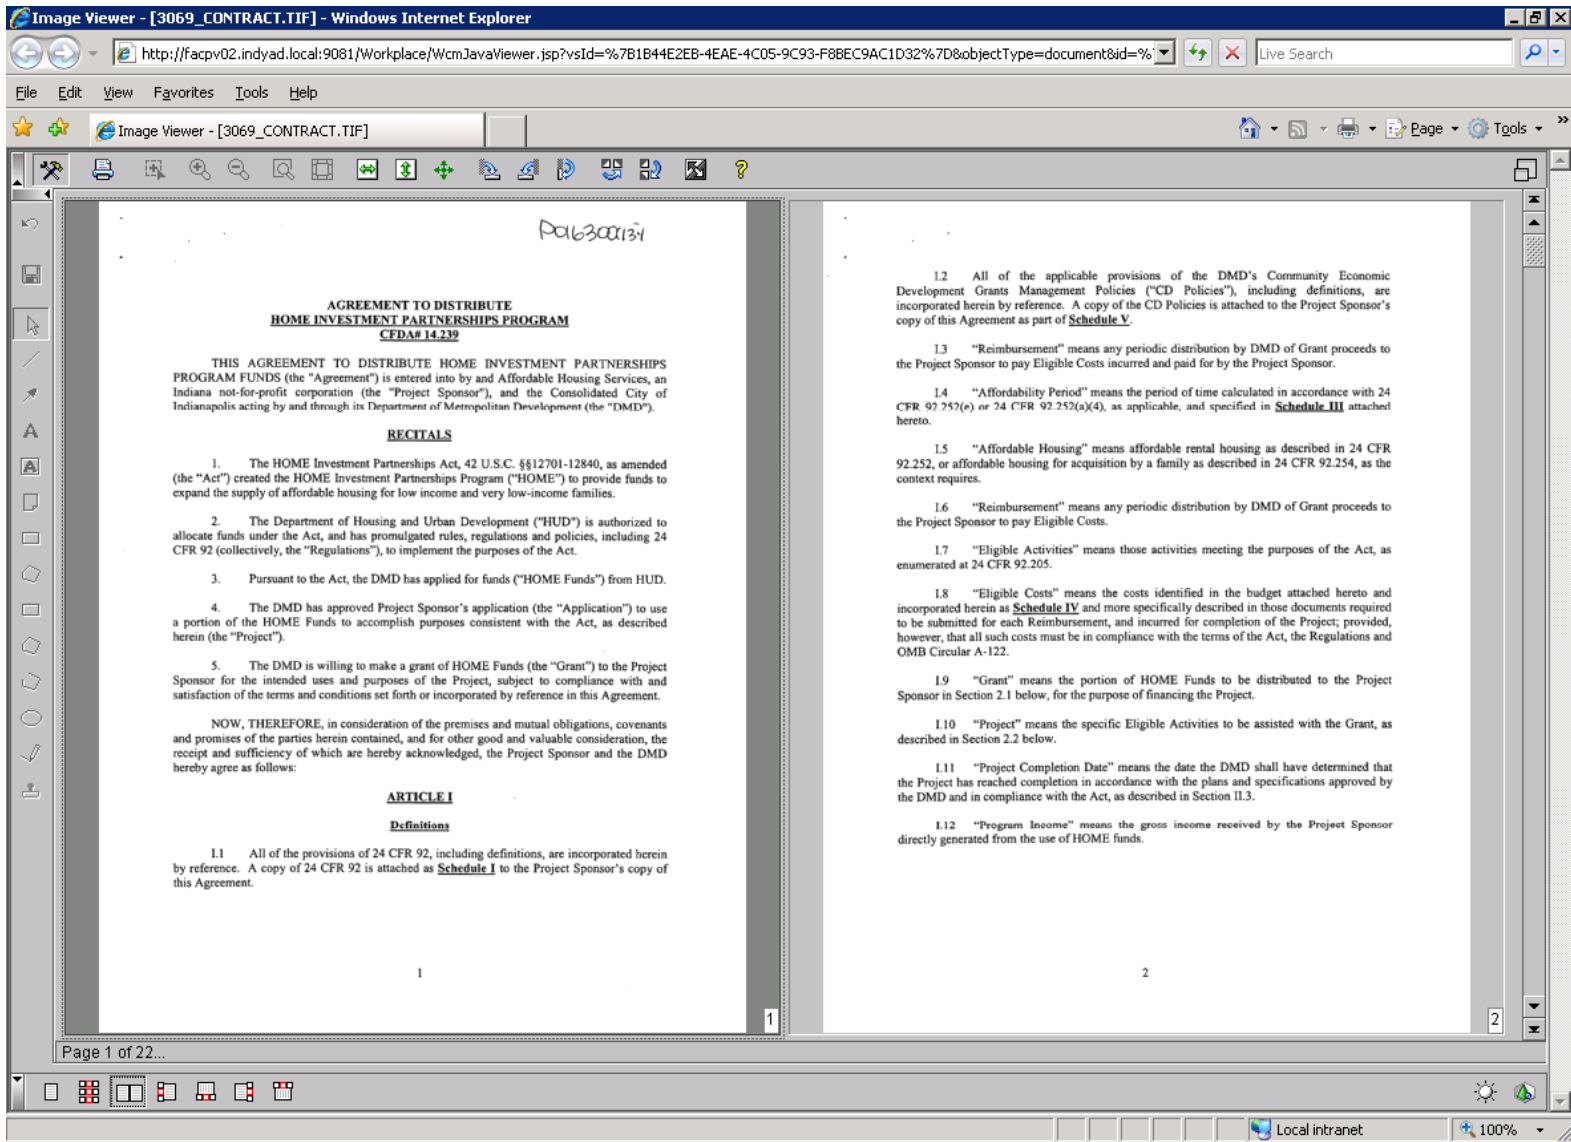

1. The HOME Investment Partnerships Act, 42 U.S.C. §§12701-12840, as amended (the "Act") created the HOME Investment Partnerships Program ("HOME") to provide funds to expand the supply of affordable housing for low income and very low-income families.

2. The Department of Housing and Urban Development ("HUD") is authorized to allocate funds under the Act, and has promulgated rules, regulations and policies, including 24 CFR 92 (collectively, the "Regulations"), to implement the purposes of the Act.
